Mr. Eric P. Newman
6450 Cecil Avenue
St. Louis, MO 63105

Dear Eric:

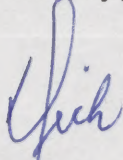

We have begun keeping the Money Museum open on weekends, and the signage went up shortly before last weekend. We are planning on moving the electronic counter from the front door to the north entrance so we can get some idea of what kind of usage the museum is receiving.

On another matter, I wonder if you could recommend to us someone, preferably not a dealer, that could evaluate some coins for us. You may have noticed at the Top of the Merc, our restaurant, there are a number of coins imbedded in the two doors leading to the main dining room. We need to have those appraised. In addition, the bank has presently in the vault the materials that are listed on the attached. These include large out of circulation bills, silver dollars, and some rather old silver dollars.

If you know someone trustworthy that could perform this service for us, we would certainly be appreciative. I don't know if you personally would have any interest in looking at these things, but please advise me.

As the season progresses on the weekend for the museum we will contemplate doing some advertising after we've had some experience as to its weekend utilization.

Cordially,

REM:jr
